

OKL CAN LINE INC.

Redraw Air Bag Holdown for Ragsdale Style BM's

Serving the can making
industry.....worldwide.

OKL's Redraw Air Bag Assembly is as an economical alternative to the Air Cylinder and offers many advantages. This kit comes complete with a new aluminum Trunion Mount. You need only remove the existing Air Cylinder, install the components of the kit and modify the air supply. In many cases the air bag can be installed the first time in a few hours.

- ◆ **Low cost.**
- ◆ **Eliminates the need for cooling water.**
- ◆ **Does not continually consume air.**
- ◆ **Elimination of 3-4 oil injectors.**
- ◆ **Simple, quick installation.**
